

The Sunday Times Oxford Literary Festival – Liaison Dinner

As part of The Sunday Times Oxford Literary Festival Liaison's Directors would like to invite you and a guest to dinner on Saturday 20 March 2010 at Oriel College Oxford.

The dinner is part of The Sunday Times Oxford Literary Festival programme and as such it is being advertised at £85 per head. However Liaison's Directors would like to extend this invitation to you as their guests without charge to yourselves.

You will see from the invitation card inserted below that Professor Steve Jones has agreed to speak prior to dinner on "Nature, Nurture or Neither? The View from the Genes" which I know many of you will find of interest.

Earlier in the day at 2pm, Liaison is also sponsoring a debate at the Sheldonian Theatre which also includes Professor Steve Jones along with Richard Dawkins and Georgina Ferry, Chaired by Roger Highfield entitled Science, Certainty and the Royal Society: Looking Back and to the Future.

To find out about festival events throughout the week and how to book visit the Sunday Times Oxford Literary Festival website:
